## ***Chronicler's Corner***

It is with some regret that I feel I must step back from my paper and ink strewn desk. The Chronicler position is one that I have been familiar with off and on for many years, and is always fun. Creating a colorful and interesting issue for you to enjoy has been a pleasure! I remember back in the early days before laptop computers and Microsoft Word (!) when I was putting out B&W issues with some of the first photos in our newsletters using halftones and stat cameras. We would lay out the newsletters on newspaper tables, waxing the galleys and photos to put on blueline boards to be photocopied (I worked at Dan's Paper's in Bridgehampton back then). Photos of Gunther, Phelen and John of Gravesend graced those covers. There was one cover with a Pennsic photo by Gliobach that was a full wraparound of a field battle. Anyway, I ramble. Life changes, technology changes. For those of you who don't know, I'm getting married soon to my wonderful fiancé Arabella Rose. Thus life goes on.

Thanks you very much for the opportunity to serve the Barony!  
I'll see you on the field, rapier in hand!

YIS

## ***Baronial Gazette***

(From April)

Greetings unto the Populace,

Alas, the reign of Thorvald and Sava has come to its end, as Their Heirs, Gaufred Kelson II and Geneviere II, take Their rightful place upon the thrones of the East Kingdom. May Their Majesties rule this noble Kingdom with honor and wisdom.

We would like to thank Lady Lassar for providing us with gifts of scroll blanks that were presented to Their Majesties from the Barony.

With spring now here, preparations for the Pennsic War have begun. Spring War Practice will be held the weekend of April 16<sup>th</sup> and 17<sup>th</sup> in Owls Reste. We strongly encourage any and all to participate in whatever capacity, whether it be a water-bearer, an archer, a chirurgion, a siege engineer, a fighter, a fencer, or just looking out for our people. For this Pennsic War harkens to be a challenge.

Her Excellency is seeking volunteers to produce Queen's favors for Her Majesty. If you are interested, please contact Baronessa Gianetta or Lady Gisele on the specifics of the Queen's favor. Remember, anyone of any skill level can help in this venture.

*To the Baronial Forces:*

The General of the Southern Army has recommended that we focus on improving in the following four categories: tactics, personal skill, strength, and stamina. He has informed me that this Pennsic will most certainly put us to the test.

This goes out to the fencers and archers of the Barony, as well!

Below is the list of events that will be war practices. Contact me if you plan on going, so I may inform our Lance commander of our potential number to attend.

Jean Xavier
